## Sanctuary M.S. Nile Adventurer, Egypt

## Egypt's Rich History

Often referred to as 'the world's largest open air museum', Upper Egypt holds an astonishing one third of the world's ancient monuments. Luxor, or Thebes as it was known in ancient times, is strewn with temples that were built thousands of years ago. Magnificent columns and intricately carved walls whisper the secrets of the pharaohs, while towering statues are a testament to the glory and power of the ancient Egyptians.

## Floating Haven

The elegant Sanctuary Nile Adventurer offers an intimate and relaxed cruising experience on the epic Nile. The communal areas are fitted with luxurious furniture and oriental ornaments that beautifully reflect Egypt's mix of East and West. The sun deck, with bamboo seats and teak floors, is the perfect place for sipping on a cocktail while floating past Upper Egypt's timeless landscapes.

## Beautifully Designed Cabins & Suites

The Sanctuary Nile Adventurer has just 32 en suite cabins, including two presidential suites with private balconies and two deluxe cabins. The design seamlessly blends contemporary Egyptian design with authentic character. All cabins have stunning river views and are luxuriously appointed with air-conditioning, LCD screens and the finest Egyptian cotton sheets.

## Unrivalled Itineraries

With our specially tailored itineraries, you have the freedom to see the wonders of Ancient Egypt on a thrilling three night cruise or a more relaxed four night cruise. Walk amid the wonders of the Valley of the Kings with our renowned Egyptologists, stroll through the Temple of Kom Ombo, dedicated to the crocodile god Sobek, or visit the outstanding Temple of Karnak, which took over 1,200 years to complete.
