RETREATS

Sanctuary Kusini

Tented Safari Camp, Tanzania, 12 tents.

Perfectly sited in a cluster of kopjes (beautiful outcrops of granite rock), Sanctuary Kusini's twelve tents blend seamlessly into the predator-rich plains of the Serengeti. Part of the camp's charm is its remote and private location within the park, offering exceptional and essentially private game viewing. Serengeti is home to the great wildebeest migration, and the short grass plains around Sanctuary Kusini provide the perfect setting for the wildebeest as they mass around the area in the early months of each year.

LOCATION

Sanctuary Kusini is located in the southern central area of the Serengeti National Park. The name Serengeti comes from the Maasai language and means "endless plains". The park itself covers 14,763 square kilometres, making it one of the world's largest wildlife sanctuaries.

GETTING THERE

Flying time from Arusha is approximately 1 hour 30 minutes, followed by a 15 minute drive to the camp. For light aircraft, luggage is limited to 15kg in one soft bag.

Road transfers from Ngorongoro Crater take approximately 3 hours with game viewing.

ACCOMMODATION & FACILITIES

Accommodation is offered in twelve

double tents which are scattered around the main kopje. Each tent has en-suite facilities with hot and cold running water and a personal tent attendant. Private verandahs with comfortable furnishings extend in front of each unit.

The dining area, lounge and library are housed in the main area, which affords spectacular views from its wooden deck and the adjacent kopje. The camp uses inverted electrical energy.

ACTIVITIES

The park and the area around Sanctuary Kusini in particular, is noted for its lion and cheetah populations and excellent leopard sightings. The nearby Moru Kopjes are also renowned for good resident game, particularly cats, all year round.

The woodland area fringing the short grass plains where Sanctuary Kusini is located also has high sightings of resident game including

rarer species such as klipspringer in addition to some incredible bird-life.

The famous wildebeest migration is usually present in the area during the earlier months of the year. One of the highlights is the calving season which is usually between January and March and sees the arrival of newborn zebra and wildebeest calves. The short grass plains around Sanctuary Kusini provide the perfect setting for the wildebeest as they gather around this area during the birthing of their young.

ENVIRONMENT & RESPONSIBLE TRAVEL

We are committed to operating with sound environmental practices.

Sanctuary Kusini has been built to incorporate the natural surroundings and the entire structure can be removed without leaving a trace of inhabitation.

CLIMATE & CLOTHING

The climate is characterised mainly by warm days and cool evenings. April/May usually sees intermittent rains and in November scattered rain falls.

Clothing should be cool, comfortable and casual. Jackets may be required in early mornings and evenings, especially during the cooler months of July and August. Muted colours are recommended.

A complimentary laundry service is offered.

HEALTH

Discuss health precautions with a qualified health professional several weeks before you depart. Anti-malarial medication is recommended. Bottled mineral water for drinking is supplied by the camp.

CHILDREN

Children of all ages are welcome at Sanctuary Kusini. Children under the age of 15 years are required to

share with an adult and are permitted on game drives at the discretion of management.

CREDIT CARD

Extras and personal expenses can be paid for with Visa, MasterCard, Amex, cash or travellers cheques.

ACCESSORIES

Sunscreen, sunglasses and a hat are essential. Binoculars and good cameras are a must. Bring extra film/memory cards and the required adaptors to charge batteries. The camp provides a torch, complimentary mosquito repellent and toiletries.

SPECIAL REQUESTS

Please do alert us on booking of any special requests, allergies, dietary requirements or medical conditions.

RATES

Game package rates include accommodation, meals, beverages (except premium brands), game drives, laundry and airstrip transfers in the Serengeti. Domestic flights and park fees are at an additional cost.
